---

The OPR for this supplement is 913 AW/XP (Lt Col Clifford B. Lewis). This supplement implements and extends the guidance of Air Force Instruction 10-403, 27 May 1998. This supplement describes 913<sup>th</sup> Airlift Wing procedures to be used when tracking personnel and cargo shortfalls/LIMFACs during deployments. It applies to all members of the 913<sup>th</sup> Airlift Wing.

***SUMMARY OF REVISIONS***

This revision updates the location of the forms being utilized for deployment planning. An (\*) indicates revisions from previous edition.

**3.3.2. (913 AW)** Unit will submit personnel shortfalls/LIMFACs on 913 AW Form 20 and equipment shortfalls/LIMFACs on 913 AW Form 21 (913 AW Forms 20 and 21 will be used in lieu of AF Form 4006.)

**3.3.2.1. (913 AW)** Each deploying unit will use the 913 AW Forms 20 and 21 to track personnel and equipment shortfalls for Operations Plans taskings and major deployments. Both the Unit Deployment Manager and the Unit Commander will sign the 913 AW Forms 20 and 21 verifying the information.

**3.3.2.1.1. (Added-913 AW)** Destroy the unit copies of 913 AW Forms 20 and 21 after completion of the Operations Plan Taskings and major deployments.

**\*3.3.2.1.2. (Added-913 AW)** Instructions for form use are located on each form.

**\*3.3.2.1.3. (Added-913 AW)** Both forms are available through Infobase or the AFRC forms management web site.

**5.3. (913 AW)** Forms Prescribed: 913 AW Form 20 and 913 AW Form 21.

CHARLES D. ETHREDGE, Colonel, USAFR
